Belo Horizonte, Minas Gerais – 30830-670

Two years of Mechanical Engineering internship at an automotive company as a Program Manager have given me a background in risk management, time management, and processes. I am currently in a career transition. My specialties include **ReactJs**, **HTML**, **CSS**, **JavaScript (ES6)**, and tools that aid in asset creation, such as **Blender** and **Photoshop**.

## TECHNOLOGIES

ReactJS • React Native • Python • Expo • TypeScript • Git/Github • Adobe Photoshop • Adobe Premiere • Blender • CAD (SolidWorks/Autocad/Fusion 360)

## EXPERIENCE

---

**Freelancer**, Belo Horizonte

(November 2022 – Present)
